## Brewin Dolphin networking event held at the Porsche Centre

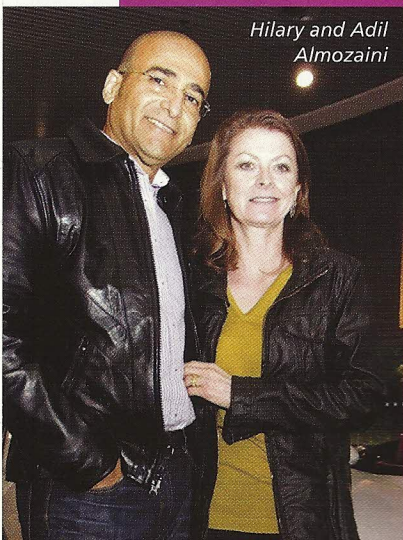

**B**rewin Dolphin Brighton arranged an intermediary and client networking event at the Porsche Centre Mid-Sussex in Burgess Hill on Thursday October 13.

The venue was certainly a big attraction, as over 70 people attended the event.

There was an opportunity to look round the magnificent showroom and chances to test-drive the cars on display.

There was also a prize draw to win the use of a Porsche for the weekend and a driving experience at Silverstone.

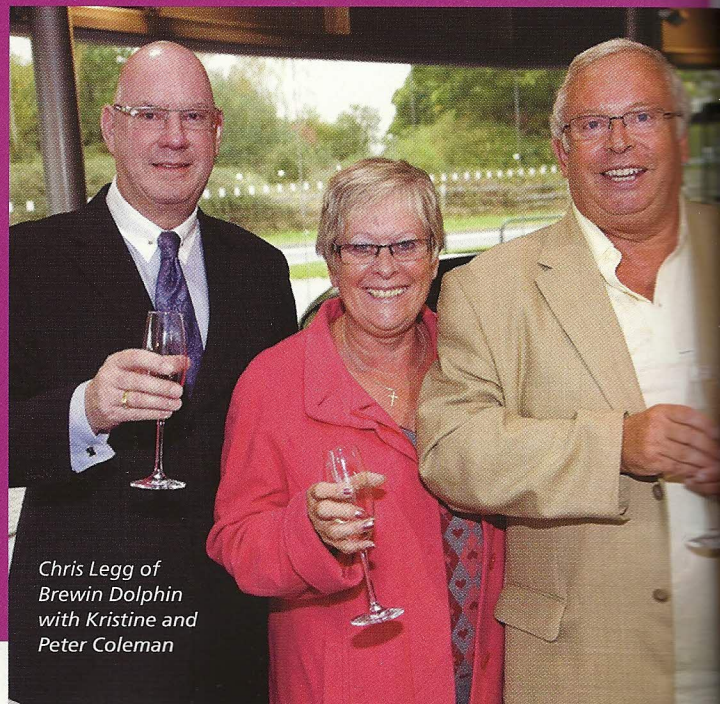

David Pegler, divisional director of Brewin Dolphin, said: "It's been a great event and the turnout was better than we expected. Huge thanks to all at Porsche for making us all feel so welcome."
