

Indian Summer

Indian Summer is celebrating 10 years of being open in Brighton. Owned by long time friends and business partners Minesh Agnihotri and Byron Swales.

Indian Summer was born from a mutual passion for Indian food and a firm belief that Brighton deserved some genuine, contemporary Indian cuisine which was completely lacking from the food environment at the time. It offers authentic Southern Indian & European cuisine made with traditional recipes from India. You will not find chicken tikka masala here, just great favourites like masala dosa & bhel puri. All the dishes are made individually without additives or colourants & they only use free range chicken. Indian Summer, 69 East Street, Brighton. 01273 711001, www.themedicinechest.co.uk
