

Rising popularity of award winning local pizza pub

THE NEVILL pub in Hove will be serving up award winning pizzas from now on, after winning a special commendation for their pizza pub concept from Spirit Pubs, as well as the highest 5 Star rating award given by Brighton & Hove Food Standards Agency. The pub group expects sales to swell following the recognition.

Speaking about their success, managing director Jon Pendry said: "This is a fantastic accolade for us. A Pizza pub is a new concept in Sussex to challenge the British Institution of fish and chips.

"Along with our award winning ales in

great pubs this as a perfect combination and we intend to move this concept forward."

Business especially at the weekend is growing with the entertainment that is being offered at The Nevill. Local companies are being encouraged to use the pub at lunchtimes as the service is quick and efficient with ample parking. The

latest facility is the all new free function room, which is an ideal venue for business and social occasions, catering for up to 150 people.

The Nevill is very much about family as the Pendry family who run it have noticed a big increase in the number of families who use the pub especially for their 2-for-1 pizza offers.
